Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 526,088

**THIS P-NUMBER (103,374)  
CORRESPONDS WITH  
APPLICATION NUMBER 09/724,583.**

Grant Date: 04-Dec-00

Approved:   
for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a)

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.  
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

CERTIFICATION

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicants by the signature of their undersigned representative hereby certify that the above-referenced U.S. non-provisional application is identical to the application for which a foreign filing license was granted on December 4, 2000, said application having been given Serial No. P-103,374 and foreign filing license no. 526,088. Applicants respectfully request that the Patent Office modify the attached foreign filing license to indicate the identity of the licensed application with the above-identified U.S. non-provisional application.

If the Examiner believes it to be helpful, he or she is invited to contact the undersigned by telephone at (312) 913-0001.

Respectfully submitted,
